## Harness the Power

With advanced security and a wealth of advanced features, the ThinManager®-ready TM600 is designed for maximum performance and discreet, reliable operation.

## 5 Times the Clarity

Featuring a powerful and efficient Intel Haswell i3 processor, the TM600 is ideally equipped for installation at individual workstations or in a centralized control room.

## Cool and Confident

The versatile TM600 is enclosed in an expandable, scratch-resistant, all-metal enclosure tough enough for commercial applications yet sleek enough for any workstation.
