

## OEM Dynamics Website - [www.oemdynamics.com](http://www.oemdynamics.com)

OEM Dynamics is getting ready to launch their new website! The new website will be cleaner, more efficient, and easier to navigate with the wealth of product and industry information you expect from Animatics. The new OEM Dynamics site will also feature sample programs, application guides, how-to videos and application videos.

### Part Number Generator

Find the exact part number you need to place an order, including the new Class 5 SmartMotor™ to complete your linear motion system. Drop down menus and distinguished, individual categories ensure that the part number generated is precisely the one you will need with all of the options included.

The screenshot displays the OEM Dynamics website interface. At the top left is the OEM Dynamics logo. A navigation menu includes links for 'About Us', 'Actuators', 'Gantry', 'TT Robot', 'Support', and 'Sales Offices', along with a search bar. Below the navigation is a breadcrumb trail: 'Supports > Knowledge Base > Actuators'. The main content area features a banner for 'Original Electro-Mechanical Solutions' with the OEM Dynamics logo and the text 'A member of the Animatics family'. Below the banner is a large image of a SmartMotor assembly with the 'SMART MOTOR' logo. To the right is a 'Knowledge Base' sidebar with a list of links: 'Knowledge Base Home', 'Connection Map', 'SmartMotor™', 'Actuators', 'Power Supplies', and 'Software'. A large blue starburst graphic with the word 'NEW' is positioned in the bottom right of the main content area. The footer contains a 'Q&A Forum' icon, an email icon with the address 'service@animatics.com', and a phone icon with the number '+1 408.748.8721'.
