RJ45/RS232 DONGLE

The XSLATE R12 RJ45/RS232 Dongle adds Gigabit Ethernet and true Serial capability to your system. Connect with legacy equipment using this convenient I/O expansion option.

AUTO POWER ADAPTER (LIND)

Operate your Xplore R12 Tablet PC and charge your battery while traveling. The Xplore DC Auto Adapter plugs into a standard automobile cigarette lighter.

R12 ADDITIONAL BATTERY

Never be caught without power when you need it most. An additional battery is the perfect companion when working in the field. The battery can be charged while in the tablet, the Desktop Battery Charger, or in the battery charging slot provided in either the R12-Series Docking Station or the Secure Mobile Dock.

R12 ADDITIONAL DIGITIZER PEN

Designed to fit in the pen barn of the R12-Series tablet, the Digitizer Pen provides precision and comfort to write and annotate on your R12 tablet. Write on your tablet PC with the ease of standard paper and pencil.

COILED PEN TETHER (BLACK)

Don't worry about losing your digitizer pen. The coiled tether provides a convenient method to keep your tablet and pen together without compromising your usage experience.

R12 PROTECTIVE DISPLAY FILM (3-PACK)

The R12-Series Protective Display Film is an optically clear, thin protective film with a coating designed to reduce reflections and give a clear, sharp display view even in brightly lit conditions. The screen works with touch screen and digitizer pen displays further protecting the tablet display from everyday scratches.

R12 KENSINGTON LOCK MODULE

Protect your investment and secure your XSLATE R12 Tablet from theft with the Kensington Lock Module. Standard key lock makes it easy and quick to lock and unlock your tablet.
